

CURRICULUM VITAE

1. Family name: Suess
2. First name: Winfried
3. Date of birth: 10.01.1965
4. Nationality: German
5. Civil status: Married
6. Education:

Institution	Swiss Federal Institute of Technology, Zurich, Switzerland
Date	10/1993 – 8/1995
Degree / diploma	Diploma: Postgraduate Studies on Developing Countries (NADEL - Nachdiplomstudium für Entwicklungsländer), now: Master of Advanced Studies in Development and Cooperation (ETH MAS D&C),

Institution	University of Munich, Germany
Date	10/1989 – 7/1993
Degree / diploma	M. Sc. Forestry (Diplom-Forstwirt Univ.)

Institution	University of Goettingen, Germany
Date	10/1986 – 9/1989
Degree / diploma	Forestry B.Sc. (Vordiplom)

7. Language skills: (1=excellent; 2=good; 3=satisfactory; 4= basic knowledge; 5=no skills)

Language	Reading	Speaking	Writing
German	Mother tongue		
English	1	1	1

8. Membership of professional bodies:

- Pro Silva Austria

9. Other skills: Trainings, workshops and seminars et.al. in:

- Valuation and Innovative Financing Mechanisms in support of conservation and sustainable management of tropical forests (2002-Tropenbos International)
- Financing Sustainable Use of Natural Resources (2004-GTZ/BMZ)
- Business Planning for Protected Areas in Central, Southern and Eastern Europe and the CIS states (2007 International Academy for Nature Conservation Isle of Vilm), speaker and participant
- Capacity WORKS, GIZ approach to capacity building and organizational development
- Trainer for KfW internal seminars on forestry in German Financial Cooperation Projects
- Moving from a shared vision on (natural) carbon removals to implementation in promising geographies (11/2018, BMU-GIZ-CLUA, Berlin) speaker on *Lessons learned from a systematic analysis of 42 impact evaluated forestry projects implemented by KfW since 1990 with a special focus on KfW's large scale restoration activities in China, India and Ethiopia* (with Till Pistorius, UNIQUE)

10. Present position:

- Independent Consultant since January 2016: for a detailed profile and experience pls. also consider www.winfriedsuess.eu

11. Key qualifications:

- Organizational Development of forest and NRM institutions, policy and legal analysis
- Institutional assessment of stakeholders and interest groups in forest and natural resource management
- Experience in sustainable forest management, rural development and natural resources management in dryland and temperate conditions in Central and Eastern Europe, PR China, India, Central and SE Asia, East and West Africa

- Experience in design and implementation of appropriate project and impact monitoring systems
- Technical expert, team leader and backstopping experience in donor funded programmes for more than 25 years
- Tender agent, evaluator and technical expert for KfW German Development Bank

12. Specific country experience:

Country	Date: from (month/year) to (month/year)	Country	Date: from (month/year) to (month/year)

Location	Tajikistan
Client/Company	GIZ EKF Project <i>Adaptation to Climate Change through Sustainable Forest Management</i>
Position	Business development advisor
Description	<p>Since the independence of Tajikistan from the Soviet Union, the country did not receive considerable investment in the forestry sector and does not have the financial means to cover large investments from the state budget. At the same time, international cooperation in the sector was focussed on technical support. One of the results of the technical cooperation was the support to the establishment of a consulting agency, Tajiklesservice Ltd., for the provision of a forestry services in 2015.</p>

	One year after the foundation of the consulting company it was the objective of the consultancy to assess in how far the consulting company Tajiklesservice ltd. is able to deliver quality services, how the future prospective for he consulting company in Tajikistan are and provide recommendations for the future development of Tajiklesservice ltd. Therefore, the consultant assessed the organizational structure, the quality of the services provided and the demand for forestry services in Tajikistan and gave recommendations for the future support.
